**Born with a silver spoon.**

Daughter of Late Rajesh Khanna and Dimple Kapadia, Twinkle Khanna was definitely born with a silver spoon. However, Akshay Kumar struggled to achieve the success he has right now. He was once a waiter in Bangkok and now look at the superstardom he has attained.

### **Eyes only for Twinkle.**

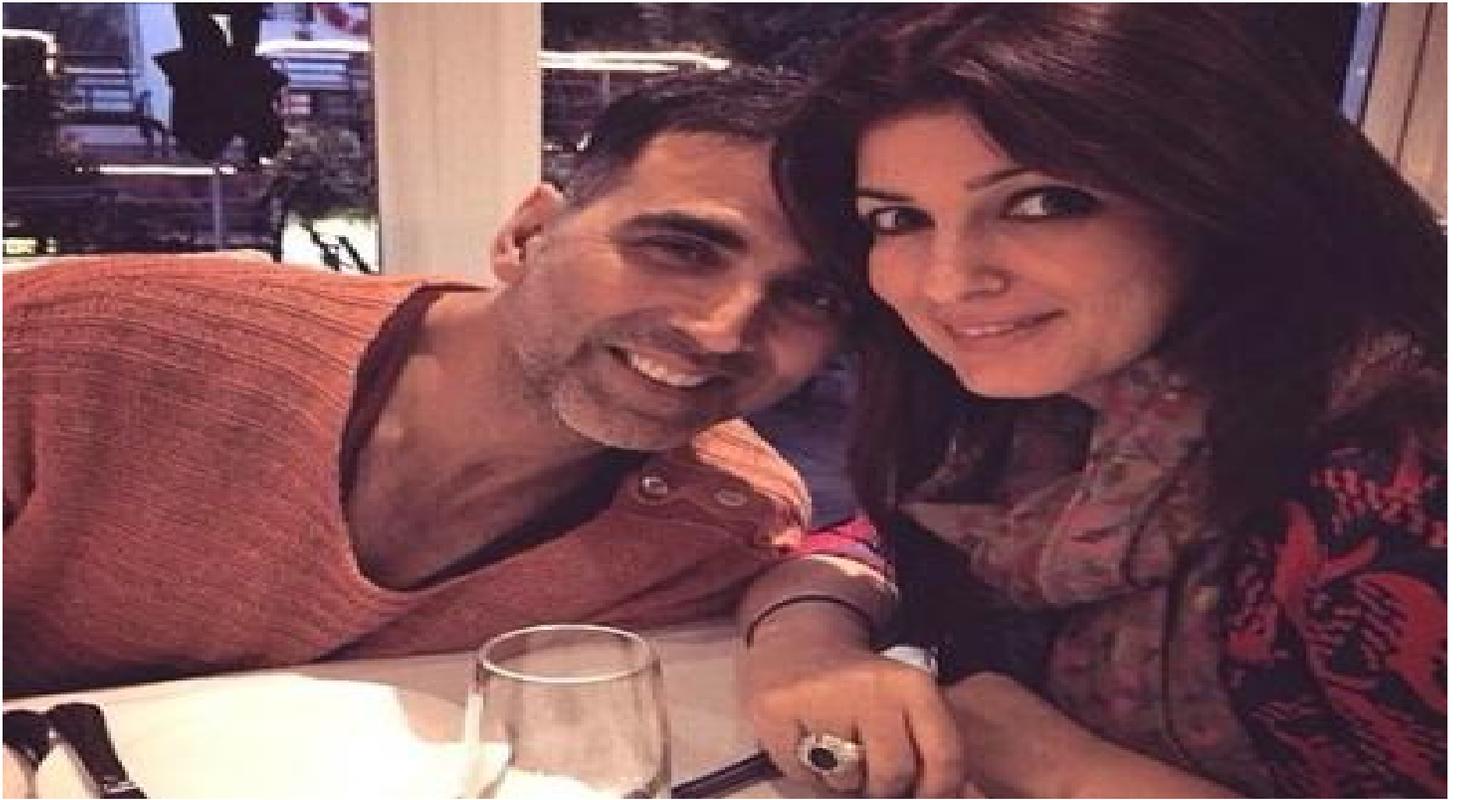

When the couple worked together in "International Khiladi," it was like cupid struck for the couple. Even though Akshay has many affairs in the past with the most gorgeous girls in the industry, he couldn't take his eyes off Twinkle.

### **Popping the question.**

After the couple dated for a few years, Akshay finally popped the question but Twinkle had her doubts. So, she laid down the condition that if her next film "Mela" performs badly at the box office, she will marry him and luckily for Akshay, that is what exactly happened. The couple tied the knot after that.

**Engaged twice.**

If reports are to be believed, then the couple was engaged twice before finally getting married. The first time when they got engaged, it was broken for reasons which are yet to be known. Twinkle was broken after that. When things were in a right place, they finally exchanged the rings.

**Finally...**

The duo finally got married on January 17, 2001, in a low-key affair in Abu Jani. Barely 50 people from the industry were present during the ceremony. Now, Twinkle Khanna and Akshay Kumar have two cute kids together.
